

The Herpetologists' League EE Williams Research Grant

The Herpetologists' League is pleased to announce competitive grants for graduate student research for 2010. These awards are named in honor of the late Ernest E. Williams, the first Distinguished Herpetologist of The Herpetologists' League.

Overview

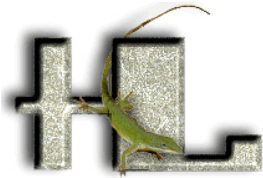

1. An award (\$500.00 maximum amount) will be presented to one winner in each category:
 - Behavior
 - Conservation
 - Ecology
 - Physiology
 - Morphology/Systematics
2. See HL web site for application form, complete rules and details:
<http://www.herpetologistsleague.org/dox/eewilliamsgrant.pdf>.
3. Entries must be received by 5 PM Mountain Time on 25 January 2010.
4. Send complete application (form below, proposal, budget, CV,) as a single PDF electronically to: Erin Muths at muthse@usgs.gov. Please put "EE Williams Research Grant" in subject line.
5. One letter of support should be sent, preferably by e-mail, directly by the supporter.
6. Proposals will be reviewed by at least two professional scientists, who will provide written feedback by July 2010.
7. Funding dispersed in May 2010 and winners announced at the closing banquet at the JMIH in Providence, Rhode Island in 2010.

Rules

1. The applicant must be a member in good standing of The Herpetologists' League.
2. The applicant must be registered and in good standing in a degree-granting program (MS and PhD candidates eligible).
3. One proposal per applicant per year.
4. Project must be original work, authored and conducted by the student.
5. Projects that are already fully supported by other sources are not eligible.
6. The proposal category must be clearly designated. However, HL reserves the right to judge proposals under a category different from that requested based on evaluation of the subject matter and the number of proposals received in each category.
