

The Herpetologists' League EE Williams Research Grant

The Herpetologists' League is pleased to announce competitive grants for graduate student research. These awards are named in honor of the late Ernest E. Williams, the first Distinguished Herpetologist of The Herpetologists' League.

Overview

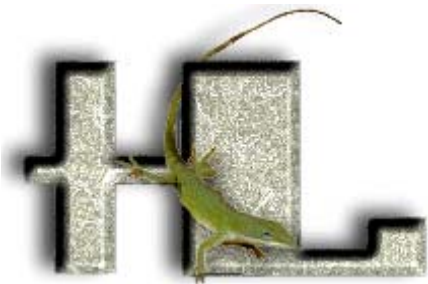

1. An award (\$1000.00 maximum amount) will be presented to one winner in each category:
 - Behavior
 - Conservation
 - Ecology
 - Physiology/Functional Morphology
 - Diversity/Evolution
2. The application form and rules are also available on the HL web site at <https://herpetologistsleague.org/wp-content/uploads/2019/04/eewilliamsgrant2021.pdf>
3. Entries must be received by 5 PM Central Time on 15 December of each year.
4. Send complete application (cover page, proposal, budget, CV,) as a single PDF electronically to: Ann Paterson at apaterson@williamsbu.edu. Please put "EE Williams Research Grant" in subject line. Check if you do not receive a confirmation e-mail within 24 hours
5. One letter of support should be sent, preferably by e-mail, directly by the supporter.
6. Proposals will be reviewed by at least two professional scientists, who will provide written feedback by May.
7. Funding will be dispersed in May and winners announced at the Herpetologists' League Business Meeting that summer.

Rules – please read carefully

1. The applicant must be a member in good standing of The Herpetologists' League.
2. The applicant must be registered and in good standing in a degree-granting program (MS and PhD students are eligible).
3. One proposal per applicant per year.
4. Project must be original work, authored and conducted by the applicant.
5. Projects that are already fully supported by other sources are not eligible.
6. The proposal category must be clearly designated. However, HL reserves the right to judge proposals under a category different from that requested based on evaluation of the subject matter and the number of proposals received in each category.
7. Previous winners are NOT eligible for the award in subsequent years.
8. A short report (2 pg) summarizing the results of the project and a reprint or .pdf of any publication arising from the project is due to secretary of HL when available.
9. All proposals must have an Institutional Care and Use Committee protocol approved prior to protocol but does not have one, the IUCAC approval must be forwarded upon receipt or the award will be voided.

Preparation guidelines and due dates

2. Word limit: 1200 words not including citations, budget, cover page or CV.
3. Double spaced, 12 pt. font.
4. Margins: 1 inch.
5. Name the file with your name and category (e.g., "Jane Smith Ecology").
6. Include the cover page provided at the HL website.
7. Include a detailed budget, as well as sources and amounts of current and pending support.
8. Clearly designate the proposal category on the cover page (one category only).
9. Arrange in advance for one letter of support to be sent separately by the supporter.
10. Include a two-page CV that includes telephone, e-mail, and mailing addresses.
11. Include IUCAC and other required protocol and permit information.
